

## Custom Wooden Crates: A Move Central's Guide

### WHAT IS A CUSTOMER WOODEN CRATE?

A custom wooden crate is a specially designed and built box or container made of wood, used to securely transport or store delicate, fragile, or valuable items. These crates are custom-made to fit the specific dimension and needs of the item being moved or stored.

### WHEN TO CONSIDER A CUSTOMER WOODEN CRATE?

<b>Long-Distance Moves</b>	Protect fragile items from bumps on the road during transit. 
<b>Long-Term Storage</b>	They offer sturdy and secure storage solutions. 
<b>International Moves</b>	Ensure items withstand the rigors of overseas shipping.
